Property Department Hursley Park
Winchester Hampshire SO21 2JN(GB)

Hypertext data processing system.

A hypertext data processing system wherein data sets participating in the hypertext document may be edited, the data processing system inserting tags into the data sets at locations corresponding to the hypertext links to create a file which is editable by an editor and the data processing system removing the tags, generating a revised data set and updating the link information after the editing process.

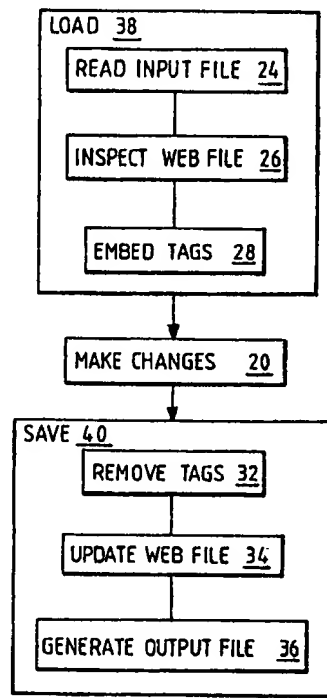

FIG. 3

EP 0 451 384 A1
